

READY FOR A FUNFASTIC WEEKEND ON 3 AND 4 JUNE? BRACE YOURSELF FOR THE NEW RACE FESTIVAL BLANCPAIN GT SERIES !

It's party time again on the Zolder Circuit on Saturday and Sunday, 3 and 4 June! Both the Blancpain GT Series and the BELCAR and TCR will be racing during the New Race Festival. And you can be there too!

The 'Blancpain GT Series' is a top international competition with GT3 touring cars, racing cars based on ordinary production cars but which can be tuned up for racing almost without limit. They share the Limburg track with the national championship Belgian Endurance Championship BELCAR, with a mix of Tourism, GTs and Sportscars.
